Dear All,
First of all, congratulations to our Year 3-7 class who have had their film “Links” shortlisted for the New Digital Media Awards. The judges were presented with 55 films from 34 schools across South Australia and have short listed 14 films. It’s a great achievement for our students and Mr Rowley. We will be travelling to Lincoln on Wednesday 19th to view the films at Youthsoria – parents are more than welcome to come along too, it will begin at 11:45am and conclude at 12:45pm. Please let me know if you would like to come by the end of the week.

A huge welcome to our 4 newest students, Ashlee, Tiffany, Maddie and Marika who had their first school transition day last week. It was a very exciting day and our current students made them feel very welcome.

On a bit of a sadder note, Nikki Bowers, one of our wonderful SSOs, has decided to take up other work opportunities in 2015. It has been an absolute pleasure working with Nikki and she has contributed an immense amount to our school community over the years. She has been President of P&F, Governing Council Secretary, recipient of the Rowan Ramsey Award and done many hours of voluntary work. We wish her all the best with her new adventure.

On Friday 28th November we will be having a student free day to plan for the 2015 school year. Kathy Davision, the new Principal, will be joining us for this day.

I will be away at Leadership in Port Lincoln on Thursday afternoon and all day Friday. This will involve partnership planning for 2015 and reflect on our progress this year.

Enjoy the rest of your week.
Sarah

Cherry Coconut Oatmeal Bars
Adapted from: The Lean Clean Eating Machine

Cherry Coconut Oatmeal Bars that are free from any added sweeteners and have only 5 ingredients

**Ingredients**
- 4 cups rolled oats; coarsely chopped in a blender or food processor
- 1 cup large flake unsweetened coconut; coarsely chopped in a blender or food processor
- 1 cup unsweetened dried Bing cherries; coarsely chopped in a blender or food processor (or try dates)
- 4 ripe bananas; mashed until completely smooth
- 2 Tbsp. pure vanilla extract

(Optional):
- 1 tsp. ground cinnamon
- ½ tsp. pink Himalayan salt (or a pinch of salt)
- 1 tsp. ground nutmeg

**Instructions**

Preheat oven to 350F
In a large mixing bowl, mash 4 ripe bananas with a potato masher or fork until completely smooth.
Add 2 Tbsp. pure vanilla extract and additional spices, mixing thoroughly.
In a blender or food processor, roughly chop 4 cups of rolled oats. When finished, add oats into the bowl.
Do the same with your dried fruit and coconut flakes, chopping roughly into pieces then adding it into your bowl.
Stir mixture to thoroughly combine.
Line an 8x12 glass baking dish with parchment paper, and pour in your oat mixture. Press oat mixture into an even layer with a plastic spatula, then place into the oven to bake for 27-30 minutes.
When finished, remove from oven and remove finished oat bars from the baking dish using the parchment paper to lift it out.
Transfer bars to a wire rack to cool for 20 minutes before cutting.
Wrap finished bars in saran wrap and store in the fridge for up to 5 days.
Kidz Biz Term 4 Week 5 2014

It was great to see many families getting into the theme of ‘Book Week’ in week 4. It was also good to see children enjoying the opportunity to share their favourite stories with their parents and friends.

A warm welcome to baby Aishah Modra who has joined the Playcentre fold. Another little bundle of joy for Ungarra.

Like it or not, Christmas is just around the corner and we begin next week with some festive craft ideas from our clever mums Eden and Karla. We will also need to make a decision about our excursion in week 7 and discuss what we’d like to do.

As we didn’t get to do our ‘chook and animal’ theme, if anyone has a small pet (and cage etc) they would like to bring next week they are most welcome.
