Hi everyone

Combined Sports Day was a fantastic way to kick start Term 4. a very successful day was had by all and I hope everyone has found a special place to store all the ribbons they won on the day! It was great to see all of the kids from the schools interacting with each other and cheering each other on. Well done to everyone! And a big thankyou to Poonindie. Our turn next!

Thursday 22nd Oct we went on a water journey with Geraldine from the NRM board. Beautiful weather for conducting water experiments in the area and we learned a lot about how salty our surrounding creeks are, their ph, the turbidity (how clear they are) and also temperatures. We visited and tested water samples at 3 different sites. *(see photos below)*

We are talking a lot with the children about having a Growth Mindset. It is important that, as adults we are role modelling this to our kids whenever we can. Here are a couple of tips to help with ‘Parenting a Growth Mindset.’

1. What did you learn today? What mistake did you make that taught you something?
2. Praise effort, persistence, strategies, goal setting, planning and creativity rather than being smart, pretty or clever.
3. Talk with your child about how brains can become stronger and our intelligence is not fixed
4. Encourage the importance of learning from mistakes and taking risks.
5. Encourage and model positive self talk

JED FAUSER

Taking care with his spelling activities.

ETHAN PUGSLEY

Caring for others.

CPSW NEWS

You may have heard the rumour around town that we are moving. Sadly, it is true!

Howard has accepted the call to work in the Parish of Bendigo.

We are excited about the move back to Victoria but I will miss you all terribly. We will be here until the end of December so I will be around the school until the end of the term. We will be back to visit from time to time, so will cross paths, I’m sure.

Term 4 means NO HAT - NO PLAY OUTSIDE
Please ensure your children all have a clearly named hat at school each day.
“A Ptarmigan is a snow bird. I know this from watching Bear Grills. They have Ptarmigans in Scotland. It’s cold there so the people like to eat warm food like soup and Black Pudding.”

Declan Phillis, Year 2

“Scotland and England share a border. Scottish people grow a lot of leeks. We made Leek and Potato Soup.”

Riley Pugsley, Year 2

In week 2 children prepared Chicken and Artichoke Casserole last week when we visited Greece. We learnt how to remove the ‘choke’ from our freshly grown produce and used our Kalamata olives.

UP NEWS

MOODY TANKS

It was the 22nd of October 2015, we went on an excursion to Transfer Station, Salt Creek and Moody Tanks to do water testing.

It was a sunny morning and we all lined up to get on the bus. We got on the bus and it took about 2 mins to get to our first stop. Riding on the bus was fun.

Our first stop was Transfer Station and we did some water testing there. Second was Salt Creek and we did some testing and some people played. And thirdly was Moody Tanks and we did some testing there and we also had recess.

For the water testing we had to measure how clear the water was, how salty it was, how acidic it was and the temperature. It was fun and I learnt how they do water testing. I liked doing it and doing it was very interesting. By Emily Sinclair

SPORTS DAY

It was a cold day at Dorward Oval. It was Sports Day and I was looking forward to it. Three different schools came. One was Poonindie and the others were Port Neill and our school.

Firstly we went to the sprints. I came second and Katie came third by a second. Then we got into teams. I had a good team. My leader was nice. I forgot his name but he was good.

We had recess and then we did some activities then we had lunch. I had a sausage.

Finally we did the obstacle course then it was the end of the day. But “It wasn’t the end of the day for me.” We had to go to Port Lincoln for mum to pick something up.

**KIDZ BIZ T 4, WK 2/3 - 2015**

In week one we had Jamie and Luke visit with the fire truck. Children learnt the STOP, DROP, ROLL AND CRAWL safety message and we practiced having crawling races on the oval. Lunar also brought along her pet lamb Feline for a visit.

This week was TEACHERS week and a big thank you to Kelly for putting her ‘teacher hat’ back on and running some activities for the morning. She promised it would be messy and she delivered; much to the delight of the kids and horror of the adults!

Tomorrow night is our parent meeting, with lots to discuss about what is happening in and around the centre as we head hastily towards 2016. We will start the meeting with Kathy our Principal at 7.30 sharp.

Next week we are looking at the occupation of HORSE TRAINER. Children will need to bring extra long cylinders (or something similar but not too dangerous as well as some adult sized socks to make hobby horses with. **Please bring along extras if you have them so people don’t miss out as I don’t have any here at Playcentre.**

Yeah, thanks a lot Kelly!
We are looking for a parent or community member who could video our school concert which is scheduled for Friday night the 4th of December in the Ungarra Hall at 7.30 pm.

If you are willing or know someone who is, please contact the school. Thank you.
