Hi Everyone

Transition is off to a fantastic start this term. We have 4 new Receptions coming in on Wednesdays. Alfie Telfer, Bryn Pugsley, Tahnee Modra and Henri Bates. They have entered the Junior Primary class as if they’ve been there all year. The existing members of the class have been fantastic role models and are really enjoying having them as part of the class.

Today we were visited by the Lake Wangary year 4/5 class who joined us for a shared Kitchen Lesson. They are re-vamping their Bush Tucker garden so their visit focused around Indigenous foods. At 11 am it was nice to share a minutes silence for Remembrance Day with our visitors.

Apologies for the short, sharp and shiny newsletter this week but we have only just had our network server and Internet restored after almost 2 days.

**I help and care for others**
It was nice having the Lake Wangary kids visit us for Kitchen lesson. We had a lot of fun and made a lot of new friends. My group made the Quondong muffins and tried to beat the other muffin group. They were very nice.

Emily

“Our group made the Orange and Aniseed Myrtle Salad and it was really nice. I wished that the Lake Wangary people could visit again or hope that we could visit them next year.” Hunter

We dined on:
- Smoked Salmon and Bush Parsley Quiche
- Orange and Aniseed Myrtle Salad
- Quandong Muffins

As part of our Indigenous studies.
We were really treated last week with a visit by 3 puppies and not one, but two horses. Sue kindly brought in her pups and her miniature pony Bugsy—much to the delight of the children.

Hobby horses were created at the making table and later on jumps were set up to test them out.

After lunch Jen and Bianca Evans brought their horse Polly along and explained what they have to do with her to ride her in the shows and look after her. Did you know that in Winter they put as many as 9 rugs on a horse?

A big thank you to both Jen and Sue for going to all the trouble to share your lovely animals with us.

This week we went on an ‘Occupations Excursion’ to Foodland and Bank SA, followed by a picnic at the foreshore playground. Next week we will have a pilot visiting and Brooke Pugsley will be our afternoon helper.

We were definitely in the right place for the weather on Monday—it was just perfect, overcast and not a breath of wind; though some said the water was a little chilly!
